The Department of Psychology visited to the Nilgiris Biosphere Reserve and Nature Park in Anaikatti on 08th Aug 2024. Two faculty members and 65 students from the II and III B.Sc. Psychology classes took part in this learning activity. The students boarded a college bus at 10:30 a.m. to begin the excursion. Students gained a deep grasp of the ecological significance of the biosphere reserve and its impact on human psychology and behavior as a result of the day's learning and exploration activities. At 4:40 p.m., They Arrived arrived back to the campus.

Bureau of Indian Standards (BIS) Industrial Exposure Visit

The Bureau of Indian Standards (BIS) Ultra Private Ltd. in Coimbatore was the site of a one-day industrial exposure visit sponsored by BIS on Friday, August 9, 2024. A group of 25 BIS club students visited along with three faculty members for this educational excursion. Students had a great chance to learn about Elgi Ultra Private Ltd.'s on testing and manufacturing procedures during the visit. With a focus on the importance of quality control, safety, and innovation in manufacturing, this practical experience gave them a better grasp of how their academic courses translate to real-world situations.

"Quality means doing it right when no one is looking."

-Henry Ford

WEAVING AND SIZING UNIT

The Department of Costume Design and Fashion organized an educational visit to a weaving and sizing unit in Tiruppur, known as the knitwear capital of India. The visit offered students hands-on experience and practical insights into textile production. They observed the weaving process, including modern shuttleless looms and various stages from warping to final weaving, and they learned about sizing, which involves applying protective coatings to yarns. The visit provided a valuable opportunity to bridge theoretical knowledge with practical application, which enhance students' understanding of the textile industry.

TEXTILE PRODUCTION

The Department of Costume Design and Fashion organized an insightful guest lecture on sizing in textile production. To provide practical knowledge in the fashion and textile industry, the lecture covered with fundamental concepts of sizing and its role in enhancing yarn performance and quality during weaving. The speaker detailed on various sizing agents, their properties, and applications. The session highlighted the practical demonstration of the sizing process, where students observed the preparation and application of sizing solutions, and learned how to improve yarn strength, reduce breakage, and ensure smoother weaving. It was held on 05/08/2024, which offered students valuable hands-on experience with this textile process.

Life Skills Program Focusing on Yoga at Arivu Thirukovil

The Department of Costume Design and Fashion organized a life skills program which focused on yoga at Arivu Thirukovil. This session aimed to introduce students to the benefits of yoga for physical and mental well-being. The serene ambiance of the temple provided an ideal setting for practicing yoga, which allowed participants to connect with their inner selves. Under the guidance of experienced instructors, students engaged in various asanas and breathing exercises which designed to enhance flexibility, concentration, and overall health. The program emphasized the importance of incorporating yoga into daily routines to manage stress and improve focus. This enriching experience fostered a sense of community among the students and provided them with valuable tools for personal growth and well-being.

MEMORIAL VISIT

On August 1, 2024, at 10:30 AM, the Department of English organized a Memorial visit for I B.A. English Literature to the Mahatma Gandhi Memorial as part of their induction program. Over 15 students participated in the visit and found inspiration from their experience at the memorial.

INDUSTRIAL EXPOSURE VISIT

Industrial visit to Malampuzha Snake Park and Main Park

The first-year postgraduate students of the Department of Psychology embarked on an academic industrial visit to Malampuzha Snake Park and Main Park, an experiential learning opportunity that provided valuable insights into environmental psychology and human behavior. At the Snake Park, students observed a variety of reptiles, with a special focus on snakes, while exploring concepts such as fear conditioning and the psychological responses humans exhibit towards reptiles. The visit highlighted the importance of biodiversity conservation and its positive impact on mental well-being. At Malampuzha Main Park, the students learned how to expose the nature which can reduce stress, improve mood, and enhance cognitive functioning. The visit not only deepened their understanding of the connection between the environment and psychology but also provided a refreshing and educational experience.

Industry Engagement Session

The Department of Commerce organized an Industry Engagement session for first-year B. Com Accounting and Finance students, focusing on Financial Services. The session was led by Mr. T. Balakrishnan, Senior Manager at Coimbatore Capital Limited, who provided expert insights into key areas such as capital markets, Indian capital markets, investment policies, and stock market investing. Through this session, students gained practical exposure to the financial services sector, enhancing their understanding of capital market dynamics, investment strategies, regulatory frameworks, and risk management. Over Sixty students attended the session and benefited. The event aimed to bridge the gap between theoretical knowledge and practical application and empower students to make informed decisions in the financial sector. The Department of Commerce expresses their gratitude to Mr. T. Balakrishnan for his valuable collaboration, which significantly enriched the students' learning experience.

Industrial visit to Penta Plus Rubber Industry, Kanjikode, Palakkad

The Department of Commerce embarked on an industrial visit to Penta Plus Rubber Industry, Kanjikode, Palakkad. The visit aimed to bridge the gap between theoretical knowledge and practical applications in the rubber manufacturing sector. It began with an introductory session by the plant manager, who provided insights into the company's history, mission, and diverse product range. Students then participated

in a guided tour, observing key processes such as rubber mixing, molding, and quality testing. This hands-on experience gave students a comprehensive understanding of the rubber production process and its technological advancements. 43 students were benefited from the industrial visit and gained valuable practical exposure that enriched their theoretical studies.

The Department of Commerce organized an industrial visit for first-year B.Com Accounting and Finance students to Hydenso Engineering Pvt. Ltd., Kanjikode, Palakkad, on October 14, 2024. Students gained practical exposure on the steel manufacturing process, observing raw material handling, fabrication, machining, and quality control. The visit connected theoretical knowledge with real-world applications, providing insights into industry challenges, safety protocols, and technological advancements. 54 students were benefited from this experience.

The industrial visit aimed to bridge theory and practice by exploring the franchising ecosystem. Students gained insights into business operations, franchise models, brand management, customer service, and financial practices, while networking with industry professionals. Domino's, established in India in 1996, has grown to over 378 outlets. The visit on August 13, 2024, included an introduction by Domino's staff, showcasing their streamlined operations, advanced technology,

marketing strategies, and supply chain management. The session concluded with an interactive Q&A, offering students valuable insights into franchising and entrepreneurial opportunities, equipping them with practical knowledge for future ventures.

SOFT SKILL

The Soft Skill Training session was organized under the DBT STAR College Scheme by the Department of Microbiology. The program was led by M. Gopi from Vedantu Academy was a resounding success. The program focused on enhancing communication, teamwork, and leadership qualities among participants. Mr. Gopi's expertise captivated the audience, offering practical insights and interactive exercises. The event engaged in role-plays and discussions, gaining valuable skills crucial for professional development. The event concluded with positive feedback from participants, highlighting its relevance and impact. Overall, the session facilitated was by Mr. Gopi proved instrumental in fostering essential soft skills vital for career growth.

The Department of Mathematics organized a Soft Skills Development program titled "Elevate Your Potential" on June 20, 2024. The event was featured by Mr. S. Vidhyananth, Soft Skill Trainer from Lotus Bausch and Lomb Institute of Optometry, Coimbatore. Mr. Vidhyananth educated the students about the significance of communication skills and emphasized the importance of developing their personalities to excel in competitive career environments. The session provided valuable insights and practical tips aimed at enhancing students' professional readiness.

On July 4, 2024, the Department of Computer Science organized a soft skills event titled "Mastering Interpersonal Skills" for all students. The event was well-participated. Students enthusiastically engaged in the event and gained valuable knowledge and ideas, particularly focusing on articulation tips. The resource person for the event was Mr. Lazar Rajan, a Life Skill Trainer and Director of ISDO. 35 members were participated and benefited from the session's practical insights aimed at enhancing their interpersonal skills.

The Department of Psychology organized a Soft Skills Programme on "Significance of Integrating Keywords in Resumes" on 15.07.2024. The session focused on building confidence through proper posture, clear voice modulation, and creating professional, tailored resumes. Key tips included using a clean font, maintaining a professional email ID, and emphasizing relevant skills and achievements aligned with job descriptions. Students were advised to prepare thoughtful interview responses, update resumes regularly, and ensure alignment with the desired role. The interactive session began with an introduction by Lakshmi Nandana M., III UG Psychology, and concluded with a vote of thanks by Dasari Manohar, III UG Psychology.

GUEST LECTURE

The Department of Computer Science organized a guest lecture on "Empowering Entrepreneurs" on July 4, 2024. The event, focused on cultivating entrepreneurial skills and mindset. The session focused on business planning, market research, and innovative thinking, which provided students with practical tools to navigate the entrepreneurial landscape. The enthusiastic participation of students highlighted their keen interest in entrepreneurship. They actively engaged in discussions and activities, gaining valuable knowledge on effective articulation, networking, and strategic planning. The lecture was highly beneficial, equipping students with essential skills and inspiration to pursue their entrepreneurial ambitions.

The Department of Computer Science organized a Student Development Guest Lecture on "The Role of Blockchain in Modern Business" on July 2, 2024. R. Akshaya, a Packaged App Developer Associate at Accenture, was the resource person. 43 students were participated in the event, which focused on blockchain's transformative impact on business, enhancing security, transparency, and efficiency. She Discussed about real-world applications in supply chain management, financial services, and digital contracts, providing a comprehensive understanding of blockchain's potential. The session offered valuable insights into the future of blockchain and its role in driving business innovation.

It was intended to promote excellence in writing Reviews of Literature (RoL). Two original RoLs were required of participants, and their completeness, uniqueness, and applicability were assessed. The contest highlighted how crucial research and critical thinking abilities are to academic writing. Prizes were given to the best contributions, demonstrating the caliber of the work that was submitted by Ms. Kaviya P, an Assistant professor of psychology, organized the

event, with a huge success. The Department would like to express their gratitude to Dr. Prabhakaran, and to the competitors, and all those who helped make this competition an important academic undertaking.

AWARENESS PROGRAM

Dr. S. Karikal Pari Shankar, Assistant Commissioner addressing the students and other dignitaries- Ravi, Inspector of Police; Dr. Balasubramanian, Principal of Rathinam College; Vetrivelvi, Police Inspector, Podanur Investigation Division and A. Ashif Ahamed, a public speaker and anti-drug activist.

The Covai Mail

Rathinam College Counselling Cell and Rathinam NSS organized a Drug Awareness Program on Monday, 24th June 2024, in observance of the International Day against Drug Abuse and Illicit Trafficking.

The event, aimed at raising awareness about the detrimental effects of drug abuse and the importance of combating illicit drug trafficking, drew significant participation from students, faculty, and community members.

The program featured esteemed speakers, including Dr. S. Karikal Pari Shankar, Assistant Commissioner; S. Ravi, Inspector of Police; and A. Ashif Ahamed, a public speaker and anti-drug activist.

Dr. Shankar provided a comprehensive overview of the current drug abuse scenario, sharing alarming statistics and emphasizing preventive measures such as education and awareness programs.

Ravi discussed the challenges faced

by law enforcement in curbing drug trafficking and highlighted the importance of community involvement. Ahamed delivered a motivational speech, sharing personal anecdotes and emphasizing hope and resilience in overcoming addiction. Coordinated by Dr. A. Seethalakshmy and M. Gnana Sekar.

The event began with a welcome address by Dr. S. Balasubramanian, Principal of Rathinam College, who underscored the collective responsibility in fighting drug abuse. The program concluded with a Q&A session, engaging the audience in practical steps to contribute to a drug-free community.

Dr. Seethalakshmy expressed gratitude to the speakers and participants, reinforcing the importance of continuous education and community engagement. The event highlighted the power of collaboration in addressing drug abuse and illicit trafficking, inspiring attendees to actively participate in creating a drug-free society.

On July 1, 2024, the Department of Microbiology organized a Club Orientation Programme. Dr. Mohan Kumar, Rathinam from the College of Physiotherapy, Coimbatore, was the chief guest, sharing insights into the role of physiotherapists in healthcare. He emphasized dedication, continuous learning, and compassion in patient care, which inspired 85 students. The interactive session highlighted career challenges and rewards, motivating students to pursue healthcare with passion. The programme successfully encouraged commitment to professional goals, leaving a profound impact and aligning with the department's mission to nurture future healthcare leaders.

The Department of Management organized an awareness session on the International Day against Drug Abuse and Illicit Trafficking. The session, was featured by Dr. Nivedita Selvakumar, MBBS, MD (Psychiatry), DNB, Post Doctoral Fellowship- Child and Adolescent Psychiatrist at KMCH, Coimbatore. The event aimed to educate students about the risks associated with substance abuse and the importance of prevention. Key highlights included understanding drug abuse, health risks, prevention strategies, and the role of students in promoting a drug-free lifestyle. The session concluded with an emphasis on making responsible choices and supporting each other to maintain a drug-free environment. Participants were encouraged to apply the knowledge gained and continue spreading awareness beyond the session.

The Marketing Expo 2024 at Rathinam Campus on July 6, 2024, organized by the Department of Management and Management Club. It highlighted student's creativity, emphasized learning in marketing trends, and fostered valuable industry connections.

DRUG ABUSE ON WORLD DRUG AWARENESS DAY

On June 26, 2024, Rathinam Counselling Cell and Department of Psychology Jointly organized a awareness program about drug abuse on World Drug Awareness Day. Students from II MSc Applied Psychology conducted informative sessions across campus, which was led by Manikandan, Sakthi, Hadlin. They emphasized risks, prevention strategies, and promoted a drug-free environment, fostering open discussions on substance abuse's

impacts. The program aimed to empower peers with knowledge for informed decisions, aligning with Rathinam College's commitment to holistic student development and responsible citizenship. These efforts contribute to a safer, healthier campus community amidst global efforts against drug abuse.

YOGA AWARENESS PROGRAM

Rathinam College of Arts and Sciences, in collaboration with the Department of Commerce and the Tamil Forum, organized a yoga awareness program on August 1, 2024, in celebration of International Youth Day. The event featured by a special guest Arulnidhi A. Kalimuthu, Deputy Secretary of the Manavalakkalai Foundation, Coimbatore. The yoga session, conducted in the yoga room with musical accompaniment. It was designed to teach the benefits and practice of yoga. Sixty students participated in this event, which was successfully conducted under the leadership of Dr. T. M. Hemalatha, Dean School of Commerce, and Dr. V. T. Dhanaraj, Head of the Department of Post Graduate Research and Commerce, with the supervision of Prof. C. Kumuda, Tamil Forum Coordinator.

The Department of Psychology successfully organized the session "Introduction to Psychological Assessments," which was led by Clinical Psychologist Mr. Varun Muthuchamy. The event, drew students from various colleges, featured engaging discussions and activities on psychological assessment tools. Ms. Nivedha and Ms. Poorvajaa, Assistant Professor, welcomed participants and introduced Mr. Varun. Dr. Saroj Sangeetha, Counselor at Rathinam Group of Institutions, honored the resource persons. The session covered various assessment tools, including intelligence and personality tests, with practical examples provided by Mr. Varun. An open forum was allowed to the participants to ask questions, clarifying complex topics and enhancing the session's value and positive Feedback was given, by many students and showed interest for future sessions. The event concluded with certificate distribution by Mr. Varun and a vote of thanks from Ms. Boomika.

THE MIND WELLNESS SERIES: "HOPE AND HEAL"

On August 30, 2024, the Rathinam Counselling Cell conducted a session titled "Hope and Heal" as part of their Mind Wellness Series. The event was an integral part of ongoing commitment to promoting mental health awareness and providing essential support to college community. The session was attended by 40 first-year students from Commerce II. It focused on the themes of hope and healing. The program began with an overview of mental wellness, exploring key topics such as emotions, stress management, anger management, the importance of life, setting goals, and motivation. An interactive component allowed participants to share their experiences and seek guidance on personal challenges. The event raised awareness about the critical importance of mental wellness and highlighted the availability of counseling services on campus.

CELEBRATION OF WORLD MENTAL HEALTH DAY

In celebration of World Mental Health Day, the Department of Psychology organized a special mental health activity designed to foster positivity and strengthen bonds among faculty members. Instead of verbal sharing, participants were encouraged to write down their positive thoughts, appreciation, and gave encouraging messages to their colleagues. These messages were shared anonymously, creating a safe and comfortable space for expressing gratitude and support. This thoughtful approach allowed participants to reflect deeply on their relationships, helped to cultivate a positive atmosphere and reinforce mutual respect and empathy among the faculty. The activity subtly promoted mental well - being, leaving everyone with a renewed sense of connection and appreciation for their peers. The event was a heartwarming success, contributing to a more supportive and emotionally enriching environment.

HEALTH & HYGINE

The Department of Mathematics organized a Life Skill Program titled "Yoga: Cultivating Peace and Energy with Resistance," which was led by Dr. V. Rajalakshmi, Head and Assistant Professor of the Department of Management. Dr. Rajalakshmi provided comprehensive insights into yoga, meditation, and exercise, teaching techniques to boost energy and concentration. She emphasized pranayama for mental health and stress reduction and highlighted walking's benefits for overall well-being. The session was highly engaging and interactive, with students actively participating in practical exercises. Dr. Rajalakshmi noted that incorporating these practices into daily routines enhances both physical and mental potential. Overall, it was an enriching program.

The Department of English organized a life skill program on "Public Health and Hygiene" on July 30, 2024. The event was featured by Mr. I. Ponnilaravasan, Associate Professor and Head, Department of Pharmaceutical Analysis at KMCH College of Pharmacy, Coimbatore. The program aimed to raise awareness and educate participants on essential health practices, emphasizing the importance of maintaining good hygiene and understanding public health measures.

The yoga program titled "Holistic Wellness through Yoga for Physical and Mental Health," was organized by the Department of Psychology on June 24, 2024, at 2:00 PM, the event was led by renowned yoga practitioner and wellness expert, Ms. P. Malathi. 35 students were participated in the session, which focused on integrating yoga practices to enhance both physical and mental health. Malathi guided participants through yoga postures, breathing exercises, and meditation techniques, emphasizing the mind-body connection. Participants shared feeling rejuvenated and relaxed, with reduced stress levels. Malathi's expertise and engaging teaching style inspired many to adopt these practices into their daily lives.

The Department of Commerce organized a Yoga Program on Positive Thinking and Meditation for II B.Com Accounting and Finance and FS students. Attended by 42 students, attended the session. It was led by Mr. R. Karthieshwaran, a Yoga, Kalari, and Silambam Master from SNV Matriculation School, Coimbatore. He demonstrated yoga asanas and highlighted their importance in daily life, which inspired students to embrace yoga and meditation for mental and physical well-being.

MEMORANDUM OF UNDERSTANDING!

MOU SIGN

memorandum of understanding (MoU) is a non-binding agreement between two or more institutions to collaborate on academic, cultural, or other activities. The purpose of an MoU is to promote cooperation and understanding between the institutions.

EXCITING PARTNERSHIP ANNOUNCEMENT!

We are happy to announce a significant milestone that marks the beginning of a transformative journey in strategic collaboration, knowledge sharing, and mutual growth. Rathinam College of Arts and Science has proudly signed a Memorandum of Understanding (MoU) with MSME Central Footwear Training Institute (CFTI). This partnership is set to unlock new horizons in innovative research, skill development, and entrepreneurship opportunities. Together, we look forward to fostering innovation, empowering individuals, and creating meaningful impact.

MSME
MICRO, SMALL & MEDIUM ENTERPRISES
सूक्ष्म, लघु एवं मध्यम उद्यम

ABOUT

The Ministry of Micro, Small and Medium Enterprises (MSME) of India signed a Memorandum of Understanding (MoU) with the United States Small Business Administration (US-SBA) on August 13, 2024

THE MOU WAS SIGNED IN NEW DELHI.

Maximum subsidy would be 15% of the project cost (20% for NER and Hill States).

The Department of Management at Rathinam College of Arts and Science (RCAS) has signed an MoU with Take off Aviation, Salem, to enhance the course BBA Aviation Management program. This partnership will provide the students with industry exposure through internships, airport visits, and interactive sessions with aviation professionals. The MoU also includes guest lectures, live projects, and workshops that offer hands-on learning, bridging the gap between academic theory and practical application. The MoU was Signed by Dr. R. Manickam, CEO & Secretary of Rathinam Groups, and Prasanna Kumar, CEO of Take off Aviation, the collaboration aims to equip students with skills for success in the evolving aviation industry.

Rathinam College of Arts and Science (RCAS) has signed a Memorandum of Understanding (MoU) with Miles Education, a leading training provider for US Certified Public Accountant (CPA) and Certified Management Accountant (CMA) programs. This strategic collaboration is designed to offer students to get the unique opportunity to pursue the prestigious US CPA certification along with their regular degree courses.

To speak about the event, Dr. Manickam R, Chief Executive Officer of Rathinam Group of Institutions, highlighted the significance of global certifications like US CPA in bridging the skill gap in the fields of accounting and finance. He emphasized how such initiatives can empower students to stay competitive in the global job market and achieve professional excellence.

Rathinam Institute of Management signed a Memorandum of Understanding (MoU) with Harvard Business School Publishing (HBSP). The MoU was signed online by Dr. S. Balasubramanian on behalf of Rathinam College of Arts & Science in the presence of Dr. R. Manickam, CEO & Secretary, Dr. V. Rajalakshmi, HOD-Department of Management, and Brandon Hight, Senior Director of Customer Success at Harvard Business School Publishing. Dr. S. Balasubramanian, Principal of Rathinam College of Arts & Science, remarked, "This collaboration marks a major milestone in our mission to offer a world-class business education"

This partnership marks a significant step in enhancing the academic offerings at RCAS, equipping the students with internationally recognized credentials and preparing them for rewarding careers in the dynamic world of finance and accounting.

Anugraha

Freshers Induction

The "Freshers Induction Program," affectionately known as "Anugraha - 24," unfolded on July 17th, 2024, marking a spirited welcome to the first-year students embarking on their academic journey for the year 2024-25. The event was graced by the esteemed presence of Mr. Erode Mahesh, Motivational Speaker & Actor, known for his work on Vijay TV. With eloquence and wisdom, he shared invaluable insights from his life experiences, urging the eager into the students to seize the opportunities that lay before them. His words resonated deeply, igniting a spark of motivation within the hearts of the new entrants. Following this inspiring address, Dr. S. Balasubramanian, the Principal of Rathinam College of Arts & Science, warmly welcomed the Freshers. His words radiated encouragement and reassurance, setting the tone for a supportive and nurturing academic environment. The Presidential address was delivered by Dr. Madan A Sendhil, Chairman of Rathinam Group of Institutions. Dr. R. Manickam, the dynamic CEO & Secretary, took the stage next, illuminating the vision and mission of the college with clarity and conviction. He underscored the institution's unwavering commitment to providing quality education and a host of opportunities and facilities to foster holistic growth and development. With each speech, the stage was set for an enriching and transformative journey ahead, as Rathinam College of Arts and Science opened its doors to a new cohort of bright minds poised to leave their mark on the world.

PG - FRESHER INDUCTION Anugraha 2024

PG-Fresher Induction

On August 31, 2024, Rathinam College of Arts and Science warmly welcomed the first-year postgraduate students to embark on their academic journey for 2024–2025 with the "PG Freshman Induction Program," affectionately known as Anugraha '24. The event was graced by Mr. Pradeep Menon Perinchery, Director of Cybersecurity at NxxT, Coimbatore, who inspired the students to embrace the opportunities ahead by sharing invaluable insights from his life experiences.

The Presidential Address was delivered by Dr. Madan A. Sendhil, Chairman of Rathinam Group of Institutions, Mrs. Shima Sendhil, Director of the Rathinam Group, and Dr. S. Balasubramanian, Principal, who extended a warm and encouraging welcome to the new students. Dr. Balasubramanian's words fostered a supportive atmosphere, offering assurance and motivation for the academic year.

Following this, Dr. R. Manickam, CEO and Secretary, passionately discussed the vision and mission, of the college emphasizing the institution's dedication to providing not only an excellent education but also a wealth of opportunities and resources for students' holistic growth.

Each address deepened the sense of promise and excitement as Anugraha '24 set the foundation for a transformative experience. Rathinam College of Arts and Science proudly welcomes this new cohort of bright minds, poised to make a meaningful impact on the world.

78TH INDEPENDANCE DAY

78th Independence Day Celebration

The 78th Independence Day celebration on August 15, 2024, was a grand occasion filled with pride, patriotism, and fervor. The flag hoisting ceremony was conducted with honor and dignity, led by the Chief Guest, Dr. K. Asokan, B.V.Sc, MSW., Former Director of Zoo and Forest Veterinary Officer Sathyamangalam. His presence added a special significance to the event. The parade, a hallmark of Independence Day celebrations, was organized and executed with precision and discipline by the National Cadet Corps (NCC) cadets. Their immaculate drill and spirited display showcased the commitment of our youth towards the ideals of unity, discipline, and national service.

Envision

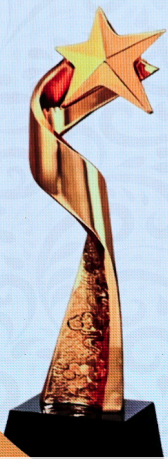

A Celebration of Creativity, Culture, and Innovation

The much-anticipated Envision 24' Inter-Intra College Fest, organized by the School of Fine Arts, was a grand celebration of creativity, talent, and spirited competition, marked by enthusiastic participation from colleges across the region. A vibrant confluence of artistic flair, innovative thinking, and cultural expression, the fest provided an enriching experience for all attendees. Featuring a diverse array of competitions designed to challenge and inspire, Envision 24' fostered collaboration and friendly rivalry among students who showcased their skills across artistic, cultural, and entrepreneurial domains. With an impressive total of 357 participants—215 inter-college and 142 intra-college—the events were a spectacular display of creativity and innovation. Krishna Adithya College, Coimbatore emerged as the overall winners of the inter-college competition, while the Microbiology Department claimed top honors in the intra-college contests, demonstrating that academic brilliance can blend seamlessly with artistic expression. Envision 24' was a powerful testament to the creative spirit and cultural richness thriving within our student communities, leaving an indelible mark on all participants. Its success reflects the dedication and passion of both students and organizers, and we eagerly look forward to future editions that will continue to inspire and nurture the next generation of talent.

RATHINAM STAR AWARDS 2024

Rathinam Star Awards 2024

Rathinam College of Arts and Science organized the "Rathinam Star Awards – A Celebration of Inspiration" on October 29, 2024, in the college auditorium, to recognize faculty for their exceptional achievements. Awards spanned categories such as Excellence in Teaching, Innovative Teaching, Community Engagement, Research, Industry Connection, and Distinguished Service, over 150 applicants and winners selected after evaluation.

The Special accolades included the 'My Favourite Teacher' Award and the Rathinam Award for Distinguished Service, to honour faculty for their contributions and dedication. The event was presided over by Dr. Madan A. Sendhil, Chairman of Rathinam Groups, with inspiring addresses from Mrs. Shima Sendhil and Dr. R. Manickam, CEO & Secretary. The event was organized under the leadership of Dr. S. Balasubramanian, Principal, and Dr. S.N. Suresh, Vice Principal. The celebration highlighted Rathinam's commitment to fostering faculty excellence and innovation.

ALUMNI MEET'25

The Rathinam Alumni Cell of Rathinam College of Arts and Science successfully organized an Alumni Reunion for students admitted during the academic years 2013-14, 2014-15, 2015-16, 2016-17, and 2017-18. The event, held at the college campus, witnessed an enthusiastic participation of around 200 alumni, who gathered to relive their cherished memories and reconnect with batchmates and faculty. The reunion featured a variety of engaging activities, including

fun games, a nostalgic campus tour, and interactive networking sessions. A special recognition program was also conducted to honor distinguished alumni for their professional achievements and contributions to society. The event provided a platform for alumni to explore the college's latest developments and strengthen their lifelong bond with their alma mater. Faculty members and

college administrators warmly welcomed the attendees, emphasizing the significance of alumni engagement in the institution's growth. The Rathinam Alumni Cell expressed gratitude to all participants and reaffirmed its commitment to fostering a strong alumni network. The reunion concluded on a joyful note with group photographs, heartfelt interactions, and a renewed sense of connection among the Rathinam family.

PONGAL CELEBRATION - 2025

Rathinam College of Arts and Science hosted a celebration for Rathinam Pongal 2025, titled Uzhavar Thiruvizha, which aimed to honor Tamil Nadu's rich cultural tapestry and emphasize unity, tradition, and community engagement. The event began with the school-wise Pongal Preparation, where students from various schools prepared traditional pot Pongal, fostering creativity and teamwork. The Grand Parade showcased beautifully decorated tractors representing each school, adorned with intricate cultural motifs and native breed animals, birds, Maavilaku, and Molaipari. The celebration also featured traditional dance performances, such as Oyilaatam, Puli Aatam, and Mayil Aatam, accompanied by live music. Special awards were presented in several categories, highlighting the role of livestock in Tamil Nadu's agricultural ecosystem and the importance of preserving and promoting indigenous breeds.

RATHINAM

Fest 2025

Honoring 1,365 Graduates as They Embark on a Journey of Innovation and Success

On March 16th 2025, Rathinam College of Arts & Science proudly hosted its 21st Graduation Ceremony at the esteemed Rathinam Grand Hall, celebrating the achievements of 1,365 graduates across Undergraduate and Postgraduate Programs. The event was graced by Mrs. Shima Sendhil, Director, Rathinam Group of Institutions, who inspired students to embrace perseverance, innovation, and lifelong learning. Mr. Pragadeesan T, Associate Director, EY GDS, emphasized the importance of leadership and digital transformation, while Mr. Hari V P Rao, Director, Annalect India, motivated graduates to seize corporate opportunities and enhance their analytical skills.

FDP ON EXCEL IN EXCEL

The faculty development program (FDP) session aimed to update faculty members on the latest advancements in Excel, Word, PowerPoint, and their associated shortcuts. The session was taken by Mr. M. Parthasarathy from The Institute of Advanced Computing. This training provided faculty with essential skills to enhance their productivity and efficiency in using these tools for academic and administrative purposes.

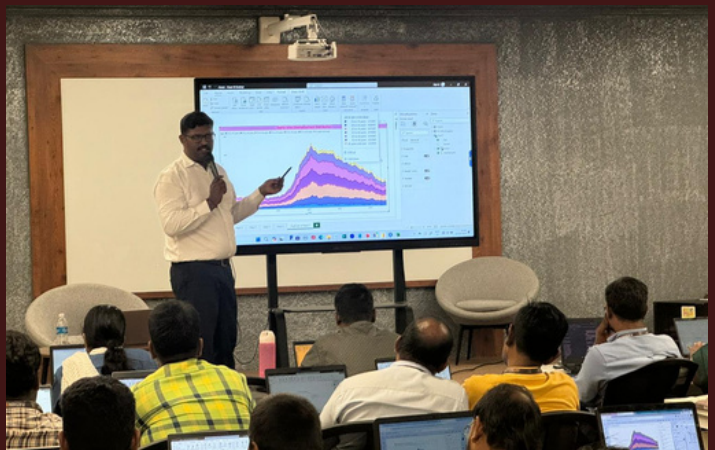

"EMPOWERING EXCELLENCE: A COMPREHENSIVE TRAINING PROGRAM"

The five-day FDP at Rathinam College of Arts and Science, Coimbatore, covered diverse topics. Dr. S. Balasubramanian, Principal focused on Outcome Based Education. Dr. KPV Sabareesh, Dean R&D guided research and funding strategies. Dr. Srinidhi emphasized student counseling. Dr. T.M. Hemalatha Dean School of Commerce enhanced teaching practices. Dr. S.N. Suresh, Vice - Principal addressed academic processes and institutional excellence.

AI Training Program: Incorporating AI Tools in Academics and Research - Hands-on Session

The AI Training Program on "Incorporating AI Tools in Academics and Research" equipped faculty members with essential AI knowledge and practical skills. Over five days, they explored AI fundamentals, data management, model development, and advanced techniques. The Hands-on sessions and collaborative projects ensured participants to integrate AI into their academic research.

Head Styles - Leadership Training Program

The AI Training Program on "Incorporating AI Tools in Academics and Research" equipped faculty members with essential AI knowledge and practical skills. Over five days, they explored AI fundamentals, data management, model development, and advanced techniques. Hands-on sessions and collaborative projects ensured participants were ready to integrate AI into their academic research.

EIGHT-DAY FACULTY DEVELOPMENT PROGRAM

We are pleased to announce that our esteemed faculty member, Dr. K. Prabhakaran, has successfully completed an eight-day Faculty Development Program (FDP) on "Global Business Foundation Skills." The program, held from 20th August to 28th August 2024, was organized by Infosys Technologies at their Mangalore campus. This FDP concentrated on essential ITEs skills, including aptitude, English proficiency, and facilitation techniques for faculty members.

5TH STATE LEVEL INTERCOLLEGIATE SPORTS COMPETITION FOR COLLEGE TEACHERS GURUKSHETRA 2024

The Department of Internal Quality Assurance Cell at Rathinam College of Arts & Science organized the 5th State Level Intercollegiate Sports Competition for College Teachers, "Gurukshetra 2024," on July 6, 2024. The event saw participation from 438 teams representing 40 colleges. Sri Krishna College won the overall trophy in the women's category, while Sri Ramakrishna Mission Vidyalyaya College of Arts and Science, Coimbatore, received the overall trophy in the men's category. The competition featured seven different games, providing a platform for college teachers to showcase their athletic skills and foster a spirit of camaraderie and sportsmanship.

AASAN UTSAV'24

The School of Commerce is delighted to announce the triumphant completion of AASAN UTSAV on AUGUST 10, 2024 (Saturday). This vibrant event featured an array of 20 engaging games specifically designed for our esteemed faculty members, aimed at fostering enthusiasm and promoting the team-building activities. The Four special awards were presented to recognize outstanding performances in these games. During the afternoon session, awards and cash prizes were distributed to faculty members as a token of motivation and appreciation for their invaluable contributions to academic excellence, institutional development, and student success. We are proud to announce that the School of Fine Arts secured the Overall Trophy, celebrating their collective achievements and outstanding participation in the event. AASAN UTSAV was a resounding success, reflecting the spirit of camaraderie and excellence that defines our institution.

COMBIZ EXPO 2024

EXPO CORNER 2K24

The School of Commerce successfully organized the highly anticipated COMBIZ EXPO 2K24, a Mega Inter-Collegiate Commerce Exhibition aimed at nurturing business ideas among the college students.

The exhibition took place on August 8, 2024, at the auditorium, providing a vibrant platform for students to showcase their innovative ideas, connect with industry professionals, and gain valuable insights into the dynamic field of commerce. As a chief guest CA. Sivashankar Thirumurthi, B.COM., ACA., CPA (Aust), Chartered Accountant, Coimbatore, was welcomed. He inaugurated the event with an inspiring opening ceremony. College's chief patrons, Dr. S. Balasubramanian, the Principal of Rathinam College of Arts and Science, and Dr. T. M. Hemalatha, the event's Convenor, played crucial roles in motivating the students and facilitating various networking opportunities for all attendees. The organizers were delighted with the success of the exhibition, which gathered participation over 60 students from various colleges, each showcased their initiatives with logical creativity. The students from Sri Krishna College of Arts and Science won the cash prize, while the runner-up position was awarded to the students of Dr. SNS Rajalakshmi College of Arts and Science.

Microbial Magnifest

The "Microbial Magnifest" offered a captivating exploration of micro-organisms through various displays, including microscopic slides of bacteria, algae, and fungi, along with petriplates and thermocol models. Over 300 participants, including students from various schools, undergraduates, postgraduates, and staff members, actively engaged in the exhibition. A standout feature was the spin wheel contest, where participants viewed their own hair, nail, saliva, and sweat samples under the high-quality microscopes. This hands-on experience provided a unique look into the microscopic world. The event also served as a valuable learning experience for the PG biotech students who organized it, which offered them significant insights into event management and coordination. On 25th and 26th July 2024, Rathinam College's School of Science organized a medicinal plant exhibition under the DBT STAR College Scheme. The event was organized by the Departments of Microbiology and Physics, in collaboration with local herbalists and environmental groups, the event aimed to educate the benefits and conservation of medicinal plants. Over 900 attendees, including students, faculty, and researchers, engaged with displays featuring regional medicinal flora, their properties, and scientific research.

NATIONAL SEMINAR

INNOVATION AND DIGITALIZATION IN INDIA'S INSURANCE INDUSTRY

The Department of Commerce, in collaboration with the Insurance Institute of India, Mumbai, successfully organized a national-level seminar on Innovation and Digitalization in India's Insurance Industry on 23rd December 2024. This seminal event marked a significant milestone in exploring the transformative potential of digitalization in the insurance sector.

The seminar was graced by distinguished guests, including:

- Sri T. P. Rajendrakumar, Chairman, Coimbatore Insurance Institute, and Senior Divisional Manager, LIC of India, Coimbatore
- ACMA Reshma S. Nair, Assistant Manager Finance, V-Guard Industries Ltd., Head Office, Cochin
- Shri V. Vetrivel, Vice-Chairman, Coimbatore Insurance Institute
- Sri J. Pravin Kumar, Honorary Treasurer, Coimbatore Insurance Institute

Their special addresses shed light on the evolving landscape of the insurance industry and the role of digital innovation in driving change.

The seminar drew an impressive participation of 345 attendees from various colleges, including Students, Research Scholars, Assistant professors, and Professors. The highlighting feature of the event was the presentation of 58 research papers by students, showcasing their insights and innovative ideas on digitalization in the insurance sector.

The seminar served as a dynamic platform for meaningful discussions, networking, and collaboration among key stakeholders in the insurance industry, fostering a spirit of innovation and knowledge-sharing.

Memorial Lecture on National Integration & Dr. Syama Prasad Mookerjee

Rathinam College of Arts & Science hosted a remarkable Memorial Lecture on National Integration and Dr. Syama Prasad Mookerjee on June 25th, 2024, at 2:00 PM in the Rathinam Auditorium. This highly impactful event brought leaders, educators, and students together to discuss the critical importance of fostering unity within our diverse nation.

The event was featured by Prof. P. Kanagasabapathi, Secretary & Trustee of the Syama Prasad Mookerjee Research Foundation (SPMRF), New Delhi, as the Chief Guest. His insightful address shed light on Dr. Syama Prasad Mookerjee's visionary contributions to national integration and emphasized the role of collective effort in achieving a cohesive society.

The program commenced with a warm welcome by Dr. S. Balasubramanian, Principal of Rathinam College of Arts & Science, setting the tone for an inspiring afternoon. Dr. Madan A. Sendhil, Chairman of Rathinam Group of Institutions, delivered a powerful Presidential Address, highlighting the importance of unity and dedication in building a stronger, more harmonious Nation.

The event concluded with a heartfelt Vote of Thanks by Dr. R. Manickam, CEO & Secretary of Rathinam Group of Institutions, who expressed gratitude to the esteemed speakers, Participants, and organizers for their unwavering support and enthusiasm.

Through the thought-provoking discussions and inspiring speeches, the Memorial Lecture underscored the enduring relevance of Dr. Mookerjee's vision for national integration. The Participants left the event with a renewed sense of purpose and a commitment in fostering unity and understanding in their communities.

INDIAN KNOWLEDGE SYSTEM PROGRAMME

*Walking in

search of
victims*

INSIDE INSURANCE: ABOUT INSURANCE AND ITS JOB OPPORTUNITIES

The Department of Commerce organized an enlightening session under the Indian Knowledge System program titled "Inside Insurance: About Insurance and Its Job Opportunities" on 13th August 2024 at Room No: B308. The session was led by Mr. Ranjith Kumar, an SBI Life Advisor from the State Bank of India, Coimbatore. He shared valuable insights into the insurance industry, highlighting the various career opportunities and the immense potential for growth and stability in the sector.

The event emphasized the importance of internships and continued learning for students aspiring to build a rewarding career in insurance. A total of 50 students from I - B.Com PA participated in the session and gained practical knowledge about the industry's dynamics and job prospects.

HOLISTIC MENTAL HEALTH APPROACHES AND POTENTIAL APPLICATIONS

On November 5, 2024, Dr. Balaji G, Assistant Professor at Karpagam Academy of Higher Education, was the resource person for a session on the Indian Knowledge System (IKS) for the Department of psychology, which was attended by 124 participants. Drawing from texts like the Vedas and Upanishads, he emphasized IKS's holistic approaches to mental health through Yoga, Vedanta, and Ayurveda. Techniques like breath control, mindfulness, and meditation were highlighted for enhancing mental clarity, emotional resilience, and stress management. He advocated integrating IKS with technologies like AI and virtual reality. The event was organized by Ms. Krishna Prabha and chaired by Dr. A. Seethalakshmy. the event explored IKS's relevance to modern psychology.

200 HOURS INTERNATIONAL VIRTUAL AGANANURU EXPLANATION ORATION WORLD RECORD

We are proud to announce that our esteemed faculty members Ms. A. Sowmiya, Ms. D. Uthaya, and Mr. P. Saravanakumar have participated in the prestigious 200 Hours International Virtual Agananuru Explanation Oration World Record. The event aims to create a world record by offering a comprehensive explanation of the ancient Tamil literary work, Agananuru, through virtual oration sessions.

Ms. UMAMAHESWARI

Celebrations & Inauguration

Pi Approximation Day

On July 22nd, 2024, the Ramanujan Club of the Department of Mathematics is delighted to share highlights from the Pi Approximation Day celebrations. Mr. Maheshwaran from III B.Sc. Mathematics welcomed the gathering and shared insights about Pi. A quiz competition was conducted via the Quizizz app, it featured the questions on the history, significance, and properties of Pi. Fifteen teams of three members each participated enthusiastically. The shortlisted teams took part in a Scavenger Hunt, solving clues based on fundamental mathematical concepts like differentiation, permutations, combinations, geometry, and the calculations of area and circumference. Seventeen students participated in the Pi Recitation competition, with Ms. Sakthi Sree from I B.Sc. Mathematics winning by reciting 150 digits of Pi. Additionally, 17 teams demonstrated mathematical concepts through various models.

Film Incubation Centre Inauguration

The Department of Visual Communication at Rathinam College of Arts and Science inaugurated Tamil Nadu's first "Film Incubation Centre." This landmark event saw the presence of several distinguished personalities from the film industry. Cinematographer U.K. Senthil Kumar graced the occasion as the special guest. Also in attendance were Director Parthiban Desingu, Madhapatti Rangaraj (Actor and Producer), actor Aari Arjunan, and Aravindan, founder of Cluster Media College. Madan A Sendhil, Chairman of Rathinam Group of Institutions, delivered the keynote speech. The event commenced with a warm welcome address by Dr. R. Manickam, CEO & Secretary of Rathinam Groups. Dr. S. Balasubramanian, the College Principal, also extended a welcome to all guests and participants and Dr. S. N. Suresh, the Vice-Principal, delivered the vote of thanks. The Director of the Film Incubation Center, Mr. Sadish Kumar, elaborated on the purpose and vision behind the establishment of the center. The Head of the Visual Communication Department, Mr. Sathish Anandan, along with our dedicated staff and enthusiastic students, also took part in this momentous occasion. This Film Incubation Center aims to nurture and develop budding talents in the field of cinema, providing them with the necessary resources and guidance to excel in the industry.

Inauguration of the English Club

We are delighted to announce the successful inauguration of the English Club, organized by the Department of English on July 29, 2024. The event was graced by the esteemed presence of Dr. Singaravelu, Principal of CBM College, along with other distinguished dignitaries. The inauguration marks a significant milestone for English department and sets the stage for a year filled with exciting literary activities and opportunities for students to enhance their linguistic skills.

Inauguration of the Victorious Secret Club

The Department of English is delighted to announce the successful inauguration of the Victorious Secret Club, held on July 29, 2024. The event was honored by the presence of our esteemed chief guest, Ally Shankar, along with other distinguished dignitaries.

This inauguration marks the beginning of an inspiring journey for the club, dedicated to fostering enriching literary experiences and providing unique opportunities for our students. With an extreme focus on creativity, collaboration, and academic excellence, the Victorious Secret Club is set to become a vibrant platform for literary exploration and growth.

National Handloom Day Celebration : Fashion show

On August 7, 2024, the Department of Costume Design and Fashion, Cultural Club, Art & Craft Club, and Department of Visual Communication, Media Club, in association with Makal Sevai Mayam, organized a captivating fashion show to celebrate National Handloom Day. The event, themed "Handloom for Sustainable Fashion," which highlighted the significance of handloom textiles in promoting sustainable fashion practices. The runway event witnessed enthusiastic participation around 111 members, showcasing innovative and unique draping styles crafted from handloom fabrics. The creativity and commitment were evident in each presentation, reflecting the core theme of the event. The Five outstanding participants were selected for the finals following a rigorous evaluation, demonstrating exceptional skill and originality. Their designs not only celebrated the rich heritage of handloom weaving but also promoted the role and importance of handloom in modern fashion.

Ramanujan Club Inauguration

The Ramanujan Club at Rathinam College of Arts and Science is delighted to announce the beginning of its activities for the Academic Year 2024–2025, fostering a positive environment to support students in overcoming their fear of mathematics and excelling in competitive exams. The event was established as part of the DBT STAR College Scheme, the club aims to demystify math and build students' confidence in this vital subject. The event was honored by Mr. N. Hariharan, Founder and Director of Shine IAS Academy, who shared motivational success stories of achievers and provided practical tips for mastering competitive exams. In his address, Mr. Deepak, a faculty member from Shine IAS Academy, highlighted the importance of understanding foundational mathematical concepts to succeed in such exams. A total of 67 students from various departments actively participated in the event. The club's coordinator, Ms. S. Abinaya, provided an orientation on the functioning and goals of the club for the upcoming year.

The Department of Commerce successfully organized the Association Inauguration and Indian Knowledge System program, which drew around 220 undergraduate students from BCom Accounting and Finance, Banking and Insurance, and Financial Services. The event aimed to educate participants about India's natural resources and the crucial importance of conservation. Mr. M. Siraj Deen, Coordinator of the Wildlife and Natural Conservation Trust, inaugurated the association and led a captivating session, enlightening students on the rich diversity of animals and resources in our environment. He stressed their significance, underscored the need for protection, and provided valuable guidance on safeguarding against insects and other potential threats. Additionally, Dr. A. Saravana Kumar, Head of the Department of Commerce, announced the newly formed Association members, marking a significant milestone in the department's initiatives.

Achievers Ceremony 2K24

The School of Commerce and The Institute of Advanced Computing jointly organized the “Advanced MS Excel and Power BI Achievers Ceremony - 2024” on August 1, 2024, at 10:00 AM in the Auditorium. The event's inauguration featured by the Chief Guest, Mr. M. Partha Sarathy, a Microsoft Certified Office Specialist and the Founder and Training Architect of Tiac. In this program, six students received the Topper Award, and over 177 students completed the course and received their certificates. The resource persons highlighted the importance of leveraging advanced functionalities to drive business insights, streamline data analysis, and enhance decision-making processes. Their guidance aimed to empower students to apply these skills effectively in their professional endeavors. The presence of Mr. M. Partha Sarathy and the valuable contributions of the resource persons greatly enhanced the event's value.
